Holiday Greetings

Meetings are 1st, 2nd, and 3rd Tuesdays of each month September through May at the Marshall Center at 1009 E. McLoughlin Blvd, Vancouver WA at 7:30pm

Christmas Pot-Luck

This week only! **8:00 pm Meeting!** This will give your dinner a chance to settle and we will have access to the kitchen at the Marshall Center. Diana and I will provide the punch and all of you will bring a desert to share. Put on your best photo face and holiday garb, bring a camera, (for a few "family" images), and have a great time.

If you wondered why there was no November issue, here are your choices (pick one only).

- a) Too Lazy
- b) Family obligations
- c) Long road trip to take lots of pictures
- d) All of the above plus some I forgot.

Meeting Content and Schedule

At the last meeting we had a discussion to consider combining slide and print nights or switching outside judging to EID night. Part of the reasoning centered on making the most of comments from outside judges. The critiques have been most constructive and helpful. Another point is the apparent shift to projected images. It is cheaper and fairly easy to submit your work via the Internet. The third point is the extreme variability in the number of images on print night. We want all of your thoughts. Maybe only meet twice a month? Have Photoshop Question and Answer sessions? Have brief hands on photo sessions? Let us know how to have more fun with photography.
