January 2010

Meetings are the 1st, and 3rd Tuesdays of each month September through May at the Marshall Center at 1009 E. McLoughlin Blvd, Vancouver WA at 7:00pm

January Program presented by Pat Starr

"Where the birds are" (That I found anyway...)

This will be a different show from the usual travel log. Pat is a first rate birder/photographer and has some fantastic shots. Pat belongs to Portland Photographic Society and has received many awards. Please join us at 7:00 pm Tuesday, Jan. 19th. Bring some friends.

News so far

Starting in January we will have a question and answer session at the end each program night. Bring any images you would like help with. We will answer or at least try to give help with Photoshop including Elements, CS4, and Lightroom. We would like basic question because it gives those of us who will be trying to answer them a better chance to feel good. However we will accept all questions.

For those of you who want to avoid the hassle of printing your own shots, Costco can now print on heavy paper saving mounting expense and hassle.
