Eruption of Mt. St Helens – Image Show April 15th

Program night April 15 is Bob Tokarczyk, eruption of Mt. St. Helens. Bob was superintendent of forestry at that time. He has some interesting photos.

Projected image night

Tuesday the April 1st (no fooling) is Projected image night. Tom needs your images by tonight.

Other points of information

- At the last meeting we discussed combining projected images (EID) and prints on the first Tuesday of the month starting next year. Outside judges would judge and critique both prints and EID. That would allow us to save some money by reducing the number of monthly meetings at the Marshall Center from three to two. We need member input on this important change to our schedule. If you cannot bring your ideas to a meeting then send your comments to me at film-pack-camera-club@comcast.net and I will send them on.
- Our treasurer is advising a dues increase as we now have to pay rent to Parks and Recreation for our meeting space. Does anyone know of a less expensive alternative meeting space? We need to get more active for parks and recreation. Be sure to send your time sheet to Cliff who is our coordinator with P&R so we have a record of the efforts.
- It is time to decide which of this years images (both electronic (EID) and print) you want to have considered in the end of year competition. The Chairs will be requesting your picks soon. Each member can submit 3 images in each category. The print categories are large and small color and black and white while EID is traditional and creative. This gives you lots of opportunities to have your work displayed.
- Annual banquet at Ruby Tuesday's is set for 6:30pm no host bar with dinner about 7:00pm. Ruby Tuesday's address is 916 SE 164th Ave, Vancouver, WA 98683, Phone: (360) 896-0277.
- We need nominations for next year's Officers and Chairs, as well as other topics you may want to discuss.
- Mini Shoot-In: We will have shooting opportunities at the program night May 20th. Be sure to bring your cameras and tripods.
- We seem to have a great deal of trouble getting participation for field trips. Here again we need your input. Please help!
- The apple blossoms should be at their peak about the time of the 4C's Quarterly Meeting. April 26 at the Charberger Country off I-84 Exit 62 on Westcliff Dr. in Hood River We can order lunch in line and have it brought into the meeting room. We are set for 12 noon. PS: bring a camera.
- The PSA is having its annual convention in Portland Aug 31-Sept 6. This is a very good convention and we plan to attend as it is in our backyard.
- The CCCC convention will be combined again with the Northwest Council of Camera Clubs and held in Tacoma. The 2008 Conference will be hosted by Olympia Camera Club at the Church for All Nations in Tacoma WA Sept. 26 – 28th

PSA showcase

For those of us who are PSA members Steve O'Hare needs submittals for this year's PSA Chapter Show Case by April 18. I have the details for the digital images. Give me a call if you are interested.
