March 2010

Meetings are the 1st, and 3rd Tuesdays of each month September through May at the
Marshall Center at 1009 E. McLoughlin Blvd, Vancouver, WA at 7:00pm

Cherry Trees are a Blooming

Bloom time is short so get your spring photography started now!

March Program will be on Adobe Lightroom

This month I will have a presentation on the features of Adobe Lightroom. Bring your questions and we will play with this cool software package. I'll see you on March 16th.

Lightroom should generate some questions and answers this program night. Bring any images you would like help with. We will answer or at least try to give help with Photoshop including Elements, CS4, and Lightroom. If it has been bothering you photographically let us have a go at it.
