Shooting Opportunities

- **May 20th Mini Shoot-In:** We will have shooting opportunities at the program night. Be sure to bring your cameras and tripods. Members will be available to help with setups of Mylar reflections, soap bubbles for abstracts, portraits, and a how to on getting realistic images of highly polished subjects. Also tips on reducing background clutter in outdoor flower pictures. Monique is bringing a tank of soda for some bubble images. We may have other ideas but this is where we are at this point.
- The snow melt is really making the Columbia Gorge waterfalls stand out. On a sunny evening the sun shines on the upper falls at Multnomah Falls. Leaving here about 5pm should be just about right with 2 or 3 other stops ending at Multnomah about 7:30pm
- June 14 the steam engine 4449 will be on the tracks headed to Sherwood, Oregon. Doug 882-2041 will get the details and pass them on. The exact time and day is up to the railroad dispatcher so it may be very little notice.
- Steptoe Butte over night trip on Saturday June 14. We will be staying at the Wheatland Inn in Colfax, WA. Call direct 509-397-0397. The Wheatland Inn is on Main Street near the north end of town. 701 N Main, Colfax, WA 99111. It is a minimum 5 hour trip (333mi) without stops from Vancouver, so leaving about 9am will get us there in time for a snack before we go to the butte for evening shooting. The butte is about 14 miles out of town if you follow the signs. I know sunrise is early but you won't want to miss the light from the opposite direction. Call Doug Fischer for more information.
- Any one interested in Silver Creek Falls, Silverton, and the Oregon garden for a day trip? Also the Iris farms are ready
- The Oregon steam-up is August 2nd and 3rd and the Dufur Threshing Bee is August 8th and 9th. There is a hot rod show in The Dalles that same weekend. These are also day trips.

Other points of information

- We will vote at the banquet on our treasurer's recommendation to raise dues next fall and next year's Officers and Chairs. The proposed increase is to \$30 for single and \$50 for 2 members at the same address. We have to pay rent to Parks and Recreation for our meeting space.
- The PSA is having its annual convention in Portland Aug 31-Sept 6. This is a very good convention and we plan to attend as it is in our backyard.
- The CCCC convention will be combined again with the Northwest Council of Camera Clubs and held in Tacoma. The 2008 Conference will be hosted by Olympia Camera Club at the Church for All Nations in Tacoma WA Sept. 26 – 28th
