November 2010

Meetings will be the 1st, and 3rd Tuesdays of each month September through May at the Marshall Center at 1009 E. McLoughlin Blvd, Vancouver WA at 7:00pm

Jon's program Photographic Technique

The program for November 16 will be; 2010 Great Lakes Salon Catalog. This is one of the largest and most popular of the PSA competitions, with entries from 16 countries. It is a beautiful disk which I hope will motivate the membership. The show will include all of the accepted entries from all categories.

Jon

King City Camera Club would like to invite FPCC to our program night.

"Portrait Photography" presented by Michael Henley on Nov 15th at 7:30pm in King City Town Hall.

My mini workshop for your club will be about basic posing and lighting with minimal equipment. I will discuss using speedlights and studio lighting equipment, choice of lenses for various situations and some of the psychological aspects of photographing people. I will touch on lighting ratios, color, contrast etc to make post production work minimal which is always my goal. Mixing light sources as well. I'll bring some equipment and light modifiers to show people some of the options available.

Christmas Dessert Potluck

December 21st is our Holiday season dessert pot luck. Just bring your appetite and your favorite dessert to the Marshall Center and share. Bringing your own favorite dish will assure at least one thing you really like.

Changes to Film Pack EID submittal process

We have established a new email address to send your 4 EID monthly pictures to. This is a club mail box and will be serviced by the EID chair. This will facilitate using the same address regardless of who prepares the EID competition or who becomes the next EID chair.

The new address is: FilmPackEID@gmail.com

Copy and paste it into your address book. DO NOT SEND YOUR PICTURES DIRECTLY TO DOUG ANYMORE. Send them to the email address above. This is effective immediately.

Note:

Page 3 contains the schedule for this year and next. I call this advanced planning and we should thank Chuck for getting our ideas on paper,
