Meetings will be the 1st, and 3rd Tuesdays of each month September through May at the Marshall Center at 1009 E. McLoughlin Blvd, Vancouver WA at 7:30pm

News so far

A reminder it is time again to send me your EID images. Our first meeting is **Sept 1st 7:30 Marshall Center**. I would like to receive all images by midnight Aug 30th. Read more below for details.

Prints will also be judged according to the traditional rules and categories.

I will be out of town much of the rest of the month so you may not get another reminder from me.

Monthly EID Competition Rules:

EID's have two categories; Creative and Traditional. A creative image is an image that has been altered to the point it no longer has any appearance to reality. A traditional image can have been altered using software but must still have some appearance to reality.

You can submit up to 4 EID images in any combination of creative or traditional. Your EID images are to be emailed to me (cdfisc@comcast.net) by midnight the Sunday before the first Tuesday of each month. I will accept late submissions if I am still able to include them. I have to do some preparation to verify that the images have met the rules, sorting them for the showing, making a score sheet and loading them on my laptop.

Each image must not exceed 1024 pixels in the horizontal and 768 pixels in the vertical. They can be less and cropped to any size so long they do not exceed 1024 on the horizontal and 768 on the vertical. The images must be in jpeg format and 350k or less in size. This usually means you have to set the quality between 7-10 depending on the image.

The image name (file name) must be in the following format:

"FirstLastName_FPCC_Title_C.jpg" for "C"reative images

Or

"FirstLastName_FPCC_Title_T.jpg" for "T"raditional.

FPCC stands for Film Pack Camera Club. "Title" is the title you chose to give to the image. Try to keep it to less than 28 characters. Here is an example for you: "JaneDoe_FPCC_Pretty Bird_T.jpg".

Please if you have any news let me know so I can add it to the Adapter. We will be going to King City on the 14th of Sept to judge and I am needing some judges.

My recovery continues and "I am not dead yet" as Monty Python said.
