The Belt and Jones show "**Cruising the Great Rivers of Europe**" will be November 28th. We continue to meet Second, Third, and Fourth Tuesdays at Firstenburg Center, Room 164. The Center is at 700 N.E. 136th Ave. Vancouver, WA. The Meeting time is 8:00pm until 10:00pm. Board meetings will be the first Tuesday of the month at 3:30pm and at Chucks home. Come by and help plan our year's events and field trips.

Field Trips

Portland's Hawthorn district in the evening: This trip will leave from the Marshall Center at 7pm November 16. **That is this Thursday** so get you rain hat or umbrella. We will carpool to save gas and minimize the parking problem. Should be great opportunity to get street lights and maybe some wet pavement reflections.

Olympia Christmas lights in the capital. This one is leaving from the Salmon Creek park and ride near 134th St on December 9 at 9:00am.

FPCC Shoot-in is being scheduled for February. As in the past we will have several setups for you to experiment with. Look for Ultra-Violet; thin film, Mylar, portrait and other setups. This will be morning and afternoon so we will want to think about a group lunch somewhere close to the PUD on 117th St.

Painted Hills, Prineville and beyond: This overnight trip April 21 and 22 will catch the spring flowers in and around the painted hills and the fossil beds. Mickey also has his eye on Sheep Rock where there are some interesting formations.

It is Time to Join Film Pack Camera Club.
